Keeping The Industry Moving

Our Major Market Sectors

Introduction

Khaled Al Khater Trading are internationally recognised for supply, procurement outsourcing and management services that covers the entire spectrum of Oil & Gas, Steel and Heavy industries.

We are committed to deliver our best solution, understanding our customer's specific requirements. Today with more than a decade of experience are specialised in customised products and equipments which makes our customers feel confident about us. Our dedicated team driven with our vision, mission and core values make us achieve the best in us and help deliver high performance.

We have grown to become one of the leading supplier specializing in the supply of Equipments and spares for the Oil & Gas, Railway, Steel and Mining Industries through a number of diverse market sectors.

Market Served

- Oil & Gas
- Steel Industry
- Railway
- Refinery
- Petrochemical
- Offshore & Marine
- Cement, Crushing & Mining
- Electrical & Power Generation
- Industrial & Manufacturing

Keeping The Industry Moving

Cardan Shaft/ Universal Shaft

We specialise in manufacturing supply and support of Cardan Shafts required for Steel Mills, heavy duty, continuous operation and extreme environmental conditions.

Applications Industry Plants, construction equipments, Ship, Railway and special Applications.

Hoses

Khaled Al Khater Trading is one of the largest suppliers of high performance large diameter continuously high working pressure hoses, Rubber hoses and heavy duty layflat hoses.

Applications for Refineries and Chemical Industry
Military, Civil defence, Industrial and municipal fire brigades

Hose Fittings

We specializes in providing high performance engineered solutions for the transfer of fluids and gases in demanding environments

We have a large range of standard and bespoke metal tube & hose products which have the assurance of quality precision engineering. Flexible Metal Hose, Composite Hose, Metal Strip wound Hose & Tube

Railway Products

- Railway wheels.
- Axel
- Under roof Leath Machines
- Railway Engine Replacement spares
- Washing plant for railways
- Freight cars.
- Power cars
- Cranes
- Electrical and Mechanical Spares for Railway Coaches
- Gas Springs, Trip units

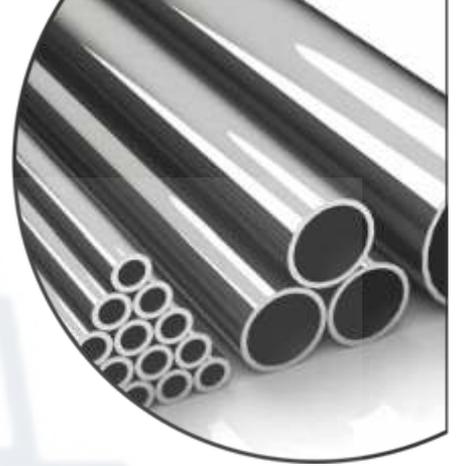

Keeping The Industry Moving

Products

Casing, Tubing & Fitting

Carbon Steel & Alloy Seamless Pipes
Stainless Steel Seamless Tubes
SS Seamless & Welded Pipes
ERW & SAW Carbon Steel Pipes
Butt Weld Fittings
Forged Fittings
Flanges
Gaskets

Control Valves & Actuator Parts

We provide an extensive range of Instrumentation items from the world leading manufactures. Our expertise covers Oil & Gas, Power plants, Petrochemicals, Marine, Chemical, Food and other industrial applications.

Pressure Switches
Transmitters
Flow Meters
Gauges, Sensors
Thermometers
Solenoid Valves

Products

Valves & Actuators

We supply wide range of valves & actuators from the world leading manufacturers.

- Ball Valves
- Butterfly Valves
- Check Valves
- Gate Valves
- Globe Valves
- Control Valves
- Plug Valves
- Safety Relief Valves
- Actuators
- Strainer

Products

Mechanical

- Gear Motors
- Gear Box
- Power Transmissions
- Diesel Engines
- Air Compressors
- Tube Expanders
- Fire Pumps
- Oil Cooler
- Heat Exchangers
- Bearings
- Wire Ropes
- Fire Hose
- Tools
- Couplings and Clutches

Electrical

- Generators
- Transformers
- Electric Motors
- Electrical Bulk Accessories
- Cable Management system
- Electrical Apparatuses
- Explosion Proof Lighting & Fixtures
